

THA Equipment Information 2018

Equipment Dimensions:

table - when folded 37.0 in. L x 30 in. W x 3.4 in. H
tent - 6ft and 4.5 inches, 64.5 L
tub - 26 in

Rooster Rock State Park:

Trailheads: Multnomah Falls, Latourell Falls, Starvation Creek, Dry Creek Falls, Dog Mountain, Cape Horn and Tamanawas Falls.

How to get to storage Unit: Take a right as you enter Rooster Rock. Drive straight through parking lot and take the third right. Then enter driveway to your right with sign that says "service road employees only". Drive to the very bottom of this road and veer left. Before you pass the large open barn there is a small storage unit labeled with a Trailhead Ambassador sign. You have arrived! Below I've included some images so you can visualize it. There should also be signs directing you through the parking lot (provided by Oregon State Parks) that say Trailhead Ambassador.

Lock Code and Instructions: Please ask THA Coordinator Ali Smith for the code.

1. TO OPEN - Turn RIGHT 3 times. Stop at 1st number
2. Turn LEFT one full turn passing 1st number to stop at 2nd number.
3. Turn RIGHT, and stop at 3rd number.
4. Pull Shackle

Zigzag Ranger Station:

Trailheads: Trillium Lake, Mirror Lake and Timberline Lodge

How to get to Storage Unit: Please follow these step by step instructions provided by the USFS. There will be a blue padlock on the unit that is for Trailhead Ambassadors. Please note that on Sundays, the gate does not open and you will need to walk around it to access the equipment.

Pull in to the Zigzag Ranger Station

Turn right and park outside the fence

Head to our recycling pole barn. Volunteer cage is behind the red cardboard dumpster.

Be sure your lock is daisy chained with the gold FS lock so both groups can access the cage as needed
